WHEREAS, participating in Regeneron ISEF is a significant achievement because students must first qualify through national-level science competitions before earning the opportunity to represent their country internationally.

WHEREAS, students from Quezon City Science High School represented the Philippines at Regeneron ISEF 2026 after qualifying through national science fair competitions; participation itself is a significant accomplishment because only a limited number of projects from each country are selected to advance to the international level.

WHEREAS, with that extraordinary talent, skills and intelligence, it is more fitting and proper to immensely recognize and commend the hard-work, perseverance, and excellence of our students who represented our Country and community to international competition.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED, to convey, as it does hereby convey, the warmest congratulations of the Quezon City Government to Quezon City Science High School, represented by Jose Rafael Ong Cayabyab, Cassandra Aubrey Cervantes Lipangco, and Eirah Gabrielle Abila Riduca, for winning the 3rd Grand Award in Software Design category, the Arizona State University Scholarship Award, and the Society for Science Alumni Award during the Regeneron International Science and Engineering Fair (ISEF) 2026 held in Phoenix, Arizona, USA, on May 9-15, 2026.

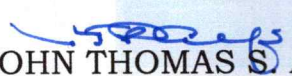

ADOPTED: July 6, 2026.

CERTIFICATION

This is to certify that this Resolution was ADOPTED by the City Council on Second Reading on July 6, 2026 and was CONFIRMED on July 16, 2026.
