- Since its enactment in 2014, the Quezon City Barangay Seal of Good Housekeeping underwent several amendments;
- Enactment of this proposed ordinance will put to rest the unnecessary process of amending and revising the ordinance, saving time and resources for the city government, since the Technical Working Group created under this ordinance will have the power to formulate, through a resolution, the qualifications and guidelines for the Seal of Good Housekeeping, in consonance with the target goals of the city;
- Approval of this ordinance will aggressively institutionalize the spirit of good governance essential to barangay administration and development and empower barangay officials to aspire for excellence and take pride in all initiatives as they practice good governance in their respective barangays;
