    - b. Painting or marking portions of the road to indicate exclusive parking rights;
    - c. Employing personnel or individual to guard or reserve a parking spot; and
    - d. Any other act that restricts the free and open use of the roads for parking;
  - o Section 5 shall also be revised to instead of merely citing the basis of penalties, this ordinance will now specify the escalated penalties for each offense based on Ordinance No. SP-1465, S-2004, which prohibits individuals from reserving any portions of public streets for their exclusive use or parking space; hence it shall be read as follows:

First Offense	- Fine of not less than PhP2,000.00;
Second Offense	- Fine of not less than PhP3,000.00; and
Third/Final Offense	- Fine of not less than PhP5,000.00 or imprisonment of not more than six (6) months or both at the sound discretion of the court;
