The Committee on Laws, Rules & Internal Government recommended approval, with amendments and/or remarks:

MINUTES, 64th REGULAR SESSION, TUESDAY, SEPTEMBER 1, 2026

- to adopt the amendments made during the previous committee hearing; and
- to include all Councilors present as Co-Introducers of the ordinance

The Committee on Civil Service, Appointments & Reorganization recommended approval, with an amendment:

- to include all Councilors present as Co-Introducers of the measure

The Committee on Social Services recommended approval, with amendments and/or remarks:

- the Committee notes that this measure seeks to strengthen the Administrative Division of the SSDD through the enhancement of its organizational structure and the creation of fifteen (15) Plantilla positions necessary to effectively support the department's expanding mandate and operations;
- the SSDD remains at the forefront of delivering essential social welfare programs and services to the people of Quezon City. As the department continues to grow and respond to the increasing needs of our constituents, it has become imperative to strengthen the administrative mechanisms that support its operations; and
- during the Committee deliberations, Ms. Helan Frilles, representative of the Social Services Department (SSDD), further stressed that as the SSDD's programs and services continue to expand, the Department requires a stronger administrative structure to effectively manage its human resources, financial operations, records management, and general administrative functions. She noted that the proposed reorganization is essential in ensuring that the Department remains responsive to the growing need of its clientele while maintaining efficiency, accountability, and good governance in its operations.

On motion of Councilor Visaya, duly seconded, **PO23CC-212** was **APPROVED** on its second reading, with the following manifestations from the Proponent and the adoption of the amendments made:

- The proposed ordinance seeks to strengthen the Administrative Division of the Social Services Development Department by enhancing its organizational structure and providing the necessary personnel complement to support the department's growing responsibilities and expanding programs effectively.
- The four sections provided are the Human Resource Management Section, the Records Management Section, the Financial Management Section, and the General Administrative Services Section. These sections are intended to streamline administrative processes, improve internal coordination, strengthen personnel and records management, ensure sound financial administration, and enhance the department's overall operational efficiency.

MINUTES, 64th REGULAR SESSION, TUESDAY, SEPTEMBER 1, 2026

- To effectively carry out these functions, the measure provides for the creation of fifteen (15) new additional plantilla positions distributed as follows:

Human Resource Management Section	–	2
Records Management Section	–	2
Financial Management Section	–	2
General Administrative Section	–	8
Senior Staff Position	–	1

to provide overall administrative and supervisory support, thereby ensuring that the administrative Division is adequately staffed to meet increasing demands of service delivery.

- The Human Resource Management Department has interposed no objection to the proposed creation of the fifteen (15) new additional plantilla positions. Likewise, the corresponding Certificate of Availability of Funds has been issued by the City Budget Department for the implementation of the proposed measure.

In response to the inquiry of the Acting Presiding Officer, President Pro Tempore Belmonte (Mikey), as to whether the omission of Section 3 in the proposed measure was intentional, the Proponent explained that the numbering of the sections would be amended.

Councilor De Leon expressed his full support for the measure. He raised a question regarding whether a clearance from the Department of Budget and Management (DBM) had been obtained, emphasizing that he believes the addition of plantilla positions necessitates such clearance from the DBM.

Councilor Visaya reiterated that the City Budget Department had already issued a certification confirming the availability of funds.

Councilor De Leon suggested that the Proponent conduct further research, emphasizing that whenever plantilla positions were added, clearance from the DBM should always be secured, in addition to the certification from the City Budget Department.

A recess was declared.

Upon resumption, Councilor Visaya stated that in response to the query of Councilor De Leon’s inquiry, a copy of the proposed ordinance will be submitted to the Department of Budget and Management for approval following its passage and before it is implemented.

The Acting Presiding Officer indicated that, given the absence of any issues with the Certificate of Availability of Funds and the assurance that the required certification from DBM would be secured before the passage of the proposed measure, he found no further impediment to its consideration.

- **Amendments:**
 - To include Section 2 and adjust the sections accordingly.
 - To include all councilors present as co-introducers of the ordinance.

MINUTES, 64th REGULAR SESSION, TUESDAY, SEPTEMBER 1, 2026

- in the Whereas clauses, it may help to briefly cite specific local data or experiences (Quezon City programs or case trends) to ground the position on the City's actual context;
- in the latter part, it may consider clarifying the role of the LGU, particularly how Quezon City will support stronger implementation (such as funding for social workers, facilities, or community-based programs), to make the resolution more action-oriented;
- to consider and coordinate with schools and barangays, since they play a key role in early intervention; and
- the Committee supports the resolution as it upholds a child-sensitive justice system and emphasizes strengthening the implementation of existing laws rather than lowering the age of criminal responsibility

On motion of Councilor Crisologo, duly seconded, **PR23CC-563** was **APPROVED** on second reading, with the following manifestations from the Lady Proponent and the adoption of the amendment made, **including all Councilors present as co-introducers of the measure:**

- The proposed resolution prompted from the Quezon City Council for the Protection of Children (QCCPC) Resolution No. 3, Series of 2025, which strongly opposes Senate Bill No. 372, entitled, "An Act Proposing the Lowering of the Minimum Age of Criminal Responsibility in the Philippines from Fifteen (15) Years Old to Ten (10) Years Old," and urges for the full implementation of existing juvenile justice laws.
- She stated that she had a copy of the QCCPC resolution available for those who wished to obtain a copy.
- The Philippines currently upholds the minimum age of criminal responsibility at fifteen (15) years old under existing juvenile justice laws, recognizing that children in conflict with the law must be treated with care and protection, with emphasis on rehabilitation rather than punishment.
- Senate Bill No. 372 proposes to lower the minimum age of criminal responsibility to ten (10) years old, raising concerns about the welfare and rights of children who may be subjected to criminal liability while still undergoing cognitive, emotional, and moral development.
- Lowering the minimum age may risk penalizing children who are often victims of poverty, neglect, lack of education, and exploitation, rather than addressing the root causes of juvenile delinquency.
- The proposed resolution strongly opposes the measure and calls for the full and effective implementation of existing juvenile justice laws, particularly Republic Act No. 9344, as amended by Republic Act No. 10630.

MINUTES, 64th REGULAR SESSION, TUESDAY, SEPTEMBER 1, 2026

- The measure reaffirms the City's commitment to safeguarding children's rights and ensuring that children are guided, supported, and given opportunities for reform rather than prematurely exposed to the criminal justice system.

The Acting Presiding Officer, Councilor Mikey Belmonte, fully supported the proposed measure and opposed Senate Bill No. 372, which aims to reduce the minimum age of criminal responsibility to ten years. He emphasized that children aged 15 years old and below should not be held criminally liable for acts that they may not yet fully comprehend. He inquired if the Lady Proponent had a copy of the Senate bill, to which the Lady Proponent did not have the Senate bill but referenced a QCCPC resolution, signed by Mayor Joy Belmonte, which strongly opposed lowering the age from fifteen to ten years. She confirmed that the Senate bill indeed proposed this across-the-board reduction.

PR23CC-962 – A RESOLUTION AMENDING RESOLUTION NO. SP-10486, S-2006, RELATIVE TO THE DONATION OF ROAD LOT 7, COVERED BY TCT NO. 004-2018002654 BY JEIKA PROPERTIES CORPORATION, IN FAVOR OF THE QUEZON CITY GOVERNMENT, BY CORRECTING ITS LAND AREA FROM TWO THOUSAND NINETY-NINE (2,099) SQUARE METERS TO TWO THOUSAND NINE (2,009) SQUARE METERS *(Introduced by Councilors EDGAR “Egay” G. YAP and KARL EDGAR CASTELO)*

The Committees on Laws, Rules & Internal Government; and General Services and Patrimonial & Proprietary Property recommended approval, with an amendment:

- to include all Councilors present as Co-Introducers of the measure

On motion of Councilor Karl Castelo, duly seconded, **PR23CC-962** was **APPROVED** on its second reading, with the following manifestations from the Proponent and the adoption of the amendment made:

- The Council had previously approved Resolution No. SP-10486, S-2026, authorizing Mayor Joy Belmonte to accept the Deed of Donation from JEIKA Properties Realty.
- Upon review of the documents submitted by JEIKA Properties Corporation and the ordinance, a typographical error was noted in the stated area of the property. The ordinance indicated an area of 2,099 square meters, whereas the records show that the correct area is 2,009 square meters. Hence, there is a need to amend the previous ordinance to correct the typographical error.
- **Amendment:** To amend the title, the 5th whereas clause, and the dispositive portion, from Series of 2006 to **“Series of 2026.”**

PR23CC-963 – A RESOLUTION AUTHORIZING THE QUEZON CITY GOVERNMENT, THROUGH THE CITY MAYOR, HONORABLE MA. JOSEFINA G. The Committees on Laws, Rules & Internal Government; and General Services and Patrimonial & Proprietary Property recommended approval, with an amendment:

- to include all Councilors present as Co-Introducers of the measure

On motion of Councilor Vito Generoso, duly seconded, **PR23CC-963** was **APPROVED** on its second reading, with the following manifestations from the Proponent and an amendment **to include all councilors present as co-introducers of the measure:**

- The proposed resolution aims to authorize the Quezon City Government, through the City Mayor, to purchase one (1) motor vehicle for the Quezon City Sports Development Office.
- The procurement seeks to support the Office's monitoring, implementation, supervision, and other operational activities related to sports programs and projects within Quezon City.
- To facilitate the purchase of the said vehicle, an approved resolution from the Quezon City Council is a prerequisite for its authorization.
- The Quezon City Sports Development Office has an approved appropriation of PhP1,500,000.00 for the procurement of a motor vehicle, supported by a Certificate of Availability of Funds (CAF) issued by the Budget Department.
