- Barangay Alicia is one of the barangays in Bago Bantay that serves as a vital passageway for motorists travelling from EDSA toward Congressional and Mindanao Avenues.
- On July 11, 2026, a fire incident occurred on the Congressional Avenue bridge, leading to its temporary closure and the rerouting of traffic toward Bago Bantay. This caused heavy traffic congestion, particularly along Cotabato and Ilocos Norte Streets within Barangay Alicia, as these roads served as an alternate route toward Tacloban Bridge, leading out of Congressional Avenue.
- This highlighted the importance of implementing a traffic ordinance in Barangay Alicia, part of Bago Bantay. The Barangay Council of Alicia urged the City Council to enact a traffic ordinance to regulate alternate one-side street parking, establish a one-way traffic scheme, and implement a resident identification parking sticker system to ensure orderliness on the roads.
- At the Committee on Laws’ hearing, Councilor Calalay noted that the proposed ordinance is complete with necessary documents—specifically, no objection from the Office of the City Administrator and the Traffic and Transport Management Department, alongside a Barangay Resolution attesting to completed public consultations.

- to include all Councilors present as Co-Introducers of the measure

On motion of Councilor Medina (Cocoy), duly seconded, **PR23CC-684** was **APPROVED** on its second reading, with the following manifestations from the Proponent and amendments, **adoption of all amendments made during the committee hearings, and inclusion of all councilors present in the day's session as co-introducers of the measure:**

- The proposed measure aimed at enhancing citizens' knowledge of basic first aid and emergency response.
- The first few minutes of an emergency are critical, which may include accidents, fainting, choking, or sudden illness. The presence of someone trained in basic first aid or CPR can increase the chances of saving a person's life while waiting for medical responders. Many citizens hesitate to assist because they are unsure of the proper procedures.
- The measure encourages Barangay SK Councils and community organizations to promote and conduct basic first aid and emergency response training. Knowledge of simple life-saving skills can play a vital role in saving the lives of fellow citizens. Such initiatives can help strengthen the preparedness and response capacity of the community during emergencies.
- Appealed for the support of his colleagues in approving and adopting the resolution.

- Public art is widely used in cities around the world to make public spaces more vibrant and visually appealing. Murals, street art, and artist collaborations provide opportunities for artists to showcase their talents while inspiring the community. The proposed Street Art and Creative Alley Program would develop selected streets and alleys in Quezon City into cultural destinations. The initiative would support local artists and creative communities. The proposed creative alleys could also serve as new tourism attractions for residents and visitors of the city.
- With the support of the Quezon City Tourism Department, barangays, youth organizations, artist groups, and the private sector, the proposed program could be implemented to showcase the creativity and artistic talents of Quezon City.

- The Zoning Administration Unit was directed to submit an updated Project Evaluation Sheet (PES) due to a typographical error therein;
- Councilor Herrera manifested that the PES contains an error in the statement of the requested exemption, as the request should properly refer to an exemption from residential to commercial use, but the entries were interchanged; and
- ZAU manifested that all documentary and mandatory requirements have been submitted. It was further noted that the Certificate of Non-Coverage (CNC) was submitted during the hearing. Accordingly, the notation "for screening by the EMB" shall be removed from the PES.

PR23CC-953 – A RESOLUTION URGING THE CONGRESS OF THE PHILIPPINES TO AMEND REPUBLIC ACT NO. 12001, OTHERWISE KNOWN AS THE “REAL PROPERTY VALUATION AND ASSESSMENT REFORM ACT (RPVARA),” BY SUSPENDING ITS SCHEDULED IMPLEMENTATION IN VIEW OF THE SEVERE ECONOMIC IMPACT OF THE CURRENT CRISIS IN THE MIDDLE EAST AND CONDUCTING FURTHER COMPREHENSIVE CONSULTATIONS WITH LOCAL GOVERNMENT UNITS, BUSINESS GROUPS, AND OTHER STAKEHOLDERS ON THE APPROPRIATE IMPLEMENTATION TIMELINES AND TAX RATES *(Introduced by Councilor CHARM FERRER, CPA, MPA, JD)*

The Committee on Ways and Means recommended approval, with a remark:

- to submit an amended version to amend the title

On motion of Councilor Ferrer, **PR23CC-953** was **APPROVED** on its second reading, with the following manifestations from the Proponent and the adoption of the amendments made:

- The proposed resolution urges the Congress of the Philippines to amend Republic Act No. 12001, or the Real Property Valuation and Assessment Reform Act (RPVARA), by suspending its collection in light of the severe economic impact of the current crisis in the Middle East. It also calls for comprehensive consultations with local government units, business groups, and other stakeholders regarding the appropriate collection timeline and tax rates.

MINUTES, 72nd REGULAR SESSION, THURSDAY, OCTOBER 1, 2026

- This urges Congress to amend Republic Act No. 12001 and temporarily suspend its collection. She noted that while the law aims to establish a single market-based property valuation system aligned with international standards, its immediate implementation may result in significant increases in assessed property values and corresponding tax liabilities.
- This supports the national executive priorities. On August 6, 2026, President Ferdinand Marcos proposed a similar temporary suspension during the LEDAC meeting to prevent additional property costs, support investment, and ensure a gradual transition to the new valuation system.
- It emphasizes that the immediate suspension is crucial due to severe inflationary pressures arising from global geopolitical instability in the Middle East, which continues to increase local fuel and supply costs.
- Quezon City, being an economic hub heavily reliant on MSMEs and local enterprises, may face increased taxpayer burden and hindered commercial growth if tax increases remain uncontrolled amid macroeconomic instability.
- In alignment with Executive policy and the regional stance of the Philippine Councilors League–NCR under Resolution No. 001, Series of 2026, Congress is urged to conduct comprehensive consultations with LGUs, business sectors, and taxpayers to establish reasonable tax rates and realistic implementation schedules.
- Vice Mayor Gian G. Sotto, Presiding Officer, manifested that the proposed resolution was considered favorable.
- **Amendments:**
 - To change the words “schedule implementation” to “**collection.**”
 - To include all councilors present as co-introducers of said measure

At this point, upon the motion of Councilor Visaya, **PR23CC-1103** and **PR23CC-1104**, resolutions of the same intent, were discussed jointly.

PR23CC-1103 – A RESOLUTION CONGRATULATING AND COMMENDING THE SANGGUNIANG KABATAAN OF BARANGAY NAGKAISANG NAYON, DISTRICT 5, QUEZON CITY, THROUGH THE EXEMPLARY LEADERSHIP OF SK CHAIRPERSON JASON PACIS AND THE SK COUNCIL, FOR BEING NAMED AMONG THE TOP 18 NATIONAL FINALISTS IN THE 7TH PHILIPPINE SANGGUNIANG KABATAAN AWARDS *(Introduced by Councilor JOSEPH JOE VISAYA)*

The Committee on Laws, Rules & Internal Government recommended approval, with an amendment:

The Committee on Laws, Rules & Internal Government recommended approval, with an amendment:

- to include all Councilors present as Co-Introducers of the measure

Thereafter, on omnibus motion of Councilor Visaya, duly seconded, **PR23CC-1103** and **PR23CC-1104** were **APPROVED** on second reading, with the following manifestations from the Proponent and the adoption of an amendment made, **including all councilors present as co-introducers of the measure:**

- The proposed resolutions recognize the outstanding achievements of the Sangguniang Kabataan (SK) Councils of Barangay Nagkaisang Nasyon and Barangay North Fairview.
- Under PR23CC-1103, the proposed resolution commends SK Chairperson Jason Pacis and the SK Council of Barangay Nagkaisang Nasyon for being named among the Top 18 National Finalists in the 7th Philippine Sangguniang Kabataan Awards. - The project gives aspiring young civil service examinees opportunities to review and learn, equipping them with the knowledge and skills needed to pursue opportunities in government service.
- The recognition reflects the dedication, leadership, and commitment of the young leaders in promoting youth development, meaningful participation, and public service.

MINUTES, 72nd REGULAR SESSION, THURSDAY, OCTOBER 1, 2026

The Presiding Officer congratulated the SK Chairpersons and the members of the SK Councils for their achievements in bringing honor to Quezon City through their dedicated service to the community.

Meanwhile, the Presiding Officer called for a recess.

When the session resumed, Councilor Juico moved to suspend the rules to accommodate the approval of PO23CC-277.

Hearing no objection, the rules were suspended.

The Proponent thereafter moved for the approval of PO23CC-277.

PO23CC-277 – AN ORDINANCE ESTABLISHING THE LEGAL FRAMEWORK FOR THE ACCEPTANCE, MANAGEMENT, AND UTILIZATION OF PRIVATE SECTOR PARTNERSHIPS, SPONSORSHIPS, AND DONATIONS FOR THE QUEZON CITY HOSTING OF THE 2027 PALARONG PAMBANSA, AUTHORIZING THE CITY MAYOR TO EXECUTE RELEVANT AGREEMENTS, AND CREATING A DEDICATED PALARONG PAMBANSA TRUST FUND FOR THE PURPOSE (*Introduced by Councilor JOSEPH P. JUICO*)

During the discussion, the Proponent manifested that the proposed ordinance seeks to establish a legal framework for the acceptance and management of private sector donations, sponsorships, and partnerships in preparation for Quezon City's hosting of the 2027 Palarong Pambansa.

Given the magnitude of the event, the city needs to maximize available resources and explore opportunities for private-sector partnerships and participation to support its preparations. Although the city has its own budget for hosting the event, additional support from the private sector can help address various logistical and operational requirements, including transportation, billeting, food, medical services, sports equipment, and venue preparation.

The Proponent indicated that the measure provides a clear and transparent process for accepting private sector contributions, subject to existing laws and regulations. It authorizes the City Mayor to accept donations and enter into sponsorship and partnership agreements on behalf of the Quezon City Government. All such agreements shall be reviewed by the City Legal Department and endorsed by the Sponsorship and Corporate Partnership Committee prior to execution.

The proposed ordinance also recognizes the Sponsorship and Corporate Partnership Committee under the Palarong Pambansa 2027 Executive Committee as the coordinating body for private sector engagement. The Committee shall be responsible for negotiating with prospective sponsors, developing sponsorship packages, conducting due diligence, and monitoring the commitments of private sector partners to ensure that all sponsorship activities are properly coordinated and aligned with the city's objectives for the event.

The Proponent further manifested that all cash donations, sponsorship contributions, and other revenues generated for the event shall be deposited into a designated fund administered by the Palarong Pambansa 2027 Executive Committee and used exclusively for expenses related to the city's hosting responsibilities. Any remaining balance after the event shall be used for authorized post-event obligations and, upon settlement of all obligations and formal closure of the fund, shall be transferred to the Sports Promotions and Development Program Fund.

MINUTES, 72nd REGULAR SESSION, THURSDAY, OCTOBER 1, 2026

Considering that the Palarong Pambansa is a sporting event primarily for elementary and secondary school students, the proposed measure prohibits sponsorships and donations from entities engaged in the tobacco, vaping, alcoholic beverage, and gambling industries to ensure that the city's partnerships remain consistent with the objectives of youth development and the promotion of sports. Likewise, the prohibition shall cover advertising, branding, and promotional activities associated with these industries at official event venues and on uniforms, transportation, and other event-related materials.

Moreover, Councilor Juico mentioned that the proposed ordinance provides safeguards to ensure that all donations and sponsorships are properly documented, recorded, and accounted for. It requires due diligence and legal review to prevent conflicts of interest and ensure that no public official or employee receives any personal benefit from such arrangements. The Sponsorship and Corporate Partnership Committee shall be required to submit a consolidated report on all contributions received and their utilization within sixty (60) days after the conclusion of the event, which shall likewise be made available to the public, as the primary objective of the proposed ordinance is to provide the city with a clear and accountable mechanism for accepting private sector support for the 2027 Palarong Pambansa.

Given the extensive preparations required for the event, the city needs sufficient time to engage prospective private-sector partners, negotiate sponsorship agreements, and mobilize additional resources to support its hosting commitment. At the same time, the city must manage all contributions transparently, with the interests and welfare of the student-athletes as a priority.

Pursuant to Section 45 of the Internal Rules of Procedure (IRP) of the Quezon City Council, and considering that time is of the essence in the passage of the proposed ordinance, the Proponent manifested the need to suspend the rules and approve the measure on second and third readings.

Thereafter, the Presiding Officer expressed support for the proposed ordinance, noting that it would support the initiative of Mayor Ma. Josefina G. Belmonte and help ensure the successful hosting of the Palarong Pambansa, which is a great honor for Quezon City and a long-aspired event in pursuit of its goal, since 2019, to become the country's sports capital.

In this regard, the Proponent informed that he has a copy of the draft Memorandum of Agreement, which forms part of the documents being considered in connection with the proposed ordinance.

There being no other comments, the period of discussion was terminated.

For the period of amendments, the following modifications were adopted:

- In Section 7, on the creation of the 2027 Palarong Pambansa, the first paragraph shall read as: **“A special trust fund to be known as the Quezon City 2027 Palarong Pambansa Trust Fund is hereby created and shall be administered by the Palarong Pambansa 2027 Executive Committee.”**
- To include all councilors as co-main introducers of the measure.
- To include Councilor Aly Medalla, Councilor Dorothy Delarmente, and Councilor TJ Calalay, who were unable to attend the session due to an official visit, as co-main introducers of the measure.

MINUTES, 72nd REGULAR SESSION, THURSDAY, OCTOBER 1, 2026

Finally, on motion, duly seconded, **PO23CC-277** was **APPROVED** on its second reading, under suspended rules.

Likewise, **PO23CC-277** was **APPROVED/PASSED** on third and final reading, under suspended rules.

Subsequently, upon motion of Councilor Juico, the rules were restored.
